3. **TREASURER’S REPORT**
  Barry gave his November report as follows:
  Due to timing it had not been prepared, will give two at January Regular Meeting.

4. **CHAIRMAN’S REPORT FROM WATER LOSS CONFERENCE 2017**
  They had seminars and workshops divided into metering, auditing, and water loss. Dave concentrated on water loss. There were vendors for anything with water systems, such as leak detectors. Handful of states *have been mandated very strict audit reporting requirements*, not yet for Arizona. *Chair would like to look into purchasing some detectors, to do District’s own leak detection* (priced around $700 to $800 each unit). *Will go into more detail at State Of District address (Jan. 22 meeting).*

  Chair Cracknell had to excuse himself at 7:32pm, turned over to Vice Chair J.A. Holt.

5. **APPROVAL OF DRAFT MINUTES**
A) November 23rd Special Session Meeting.
B) December 1 Workshop/Special Session
  Chair Cracknell submitted some revisions.
  K. Womack made the motion to approve the revised Minutes; seconded by J.A. Holt.
  **APPROVED**: 5-0.

6. **END OF YEAR ROUNDTABLE**
  Chair did state that he appreciated working with the Board and having him be leader, and looks forward to continuing on reducing the water loss.
  Jo Ann Holt appreciated that we work well together.
K. Womack said it’s good we aren’t at each others throats. His only disappointment is the lack of progress on the proposed Waste Water Improvement District, due to the County. Appreciates Manager Bohlier keeping the system running as well as he has.

Board asked Bohlier how new assistant is working out; good so far, but he will need to start studying manager operations. [M09.11.2017(SSS7.00pm), item 3, M09.25.2017(RM7.00pm), item 4] Don was hoping to retire mid 2019. Elizabeth is his new secretary, got the glitch with drive-by handheld device to computer figured out.
