### CONTRACT AGREEMENT:

The undersigned, referred to as the Applicant, hereby agrees to pay all costs of fees and/or properties due under this AGREEMENT including, but not limited to, attorney's fees and court costs set by the court, sitting without a jury. If Applicant changes service address or adds an additional service address, they will be bound by this application. The Applicant further agrees to be governed by the Ordinances/Regulations pertaining to water. The Applicant also agrees to the following:

1. A deposit in the amount of (see below). This deposit may be applied to Applicant's account, upon request, after twelve months of acceptable credit and shall be defined as not more than two late charges within a one (1) year period.

\$ 200

\*Three times Base Service Fee Application

Deposit (5/8 x 3/4 inch meter) \*Due on or before turn on date

Deposit (1 to 2 inch meters) \* Contact the Customer Relations Manager on

2. All metered properties shall be billed current monthly base fees under all conditions. A base fee is defined as a monthly fee for each meter connected to the District's water system, unless meter is locked off, and is determined by meter size. This fee does not include costs associated with the water usage or consumption at the property for the period covered, but rather for the costs of the system, which provide the service to the property.
3. The Applicant agrees to pay for services and shall be billed on a monthly basis in accordance with authorized rate/fee schedules. Payments may be made by personal check, cashier's check, money order, or on-line bill pay by going to the District's website noted on this form. Transaction fees apply for on-line payments. All rates, fees, and charges are subject to applicable sales tax.
4. The Applicant agrees to use water services for known purposes and agrees not to sell or donate any part of water services for any other purposes.
5. The Applicant agrees that duly authorized agents and employees of the DIAMOND VALLEY WATER DISTRICT shall have uncluttered ingress and egress to the premises for the purposes of operating and maintaining the water system in accordance to safe public utility practices. It shall be the Applicant's responsibility, at all times, to keep the
